## Details on Where We Will Be Staying

The camping tradition runs deep within the Canadian spirit. This Summer Camp is offered at the Powell Lake Outdoor Learning Centre a brand new state of the art outdoor education Centre near Powell River BC. Situated at the top of the Sunshine Coast of British Columbia, the camp is very near to the city of Powell River, which is located 170 km north of Vancouver BC.

Nestled in the stunning beauty of Powell River's secluded backcountry in the heart of the Coast Mountain Range the camp is surrounded by parkland and forest. Established on a small headland between two bays on the shores of Powell Lake the area was once a salt-water fjord more than one-mile deep in places.

Owned and operated by the Powell River Board of Education (SD#47), the Powell Lake Outdoor Learning Centre (OLC) houses up to sixty people in six beautiful handcrafted cabins built from locally sourced timbers. In addition to full group sized bathrooms in each of the cabins the lodge is also well equipped with accessible washrooms, showers and administrative spaces. Built for people of all abilities the site is fully wheelchair accessible.

The 5 ha site is bright and sunny and its range of activity options provides participants and groups with a range of ways to challenge themselves outdoors. The facility boasts immediate access to the 180 km Sunshine Coast Trail as well as the Powell Forest Canoe Route, a circuit of roughly a dozen lakes and portages. A short hike from the Centre will bring you to BC's first

and only fully accessible wilderness park area, featuring a 13km long barrier free lakeside trail with cabins and other amenities.
